## Watford Celebration 2013

On Bank Holiday Monday 27<sup>th</sup> May, around 2,000 people came to enjoy a wonderful afternoon of entertainment at the Multi Cultural Community Centre (MCCC), St Michael and All Angels' Church and the Littlebury Hall. The Watford Celebration is an annual event that provides an opportunity for the various cultures, nationalities and faith groups as well as charities of Watford to come together in a day of celebration and friendship. It is also an occasion to learn about each other. There were 40 stalls in St Michael's Church, interfaith discussions in the vestry of the church, children's entertainment in the Littlebury Hall with a bouncy castle outside. In the MCCC, there were performance on stage e.g. Kendo - a Japanese mar-

shal art, a Sikh Tabla player, Scottish bagpipes, gospel choirs, dial up karaoke and more. At lunch time the public could sample Pakistani cuisine with Pakoras and Samosas, Japanese sushi, Chinese food, West African dishes and more. We were privileged to have the visit of Viscountess Trenchard, High Sheriff of Hertfordshire and her husband, Councillor Steve Rackett, Chairman of The Watford Borough Council, who stayed with us most of the day. Many thanks to all who came and supported the event!

**We hope to see you next year at

## A Fresh Coat of Paint

Helping Hands is a programme of outreach of The Church of Jesus Christ of Latter-day Saints, where projects to benefit the community are undertaken by the members.

A large group including children descended on the MCCC on Saturday 31<sup>st</sup> August, armed with a will to work as a team. The teams' main tasks were to paint the ladies' and gentlemen's toilets in the entrance, as well as the toilet at the back of the Centre. The "white out" work was quickly carried out, as the basis for the colour to be added later. Holes in the wall in the main hall were also filled and then painted.

Another major project was the hot water pipes lining the main hall. These were given a thorough sanding and under-coated, and it is intended that they will have a top coat applied in the coming weeks.

Prior to the main work on the 31<sup>st</sup>, Laurence (in spite of his infirmities) and Marijah Butcher worked on taking the toilet doors back to the wood, filling and painting the surfaces and painting the hallway, with help from Rob Elliott.

Laurence Butcher also oversaw the sanding and painting on Helping Hands Day – proving that everyone can be involved. A great day was enjoyed by all and a feeling of satisfaction at what had been achieved, with the intention to return to finish the job.
